**FINDINGS OF FACT, CONCLUSIONS OF LAW, AND ORDER  
CONFIRMING THE SECOND AMENDED PLAN OF ADJUSTMENT  
OF JACK COUNTY HOSPITAL DISTRICT, AS MODIFIED**

Jack County Hospital District d/b/a Faith Community Health System (the "Debtor") commenced the above-captioned municipal debt adjustment case (the "Case") by filing a voluntary petition for relief (the "Petition") under chapter 9 of Title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Northern District of Texas (the "Court") on June 11, 2020 (the "Petition Date").

An official committee of unsecured creditors has not been appointed in the Case. An *Order for Relief in a Chapter 9 Case* [Docket No. 53] was entered by the Court on October 1, 2020.

On October 4, 2021, the Debtor filed its *Second Amended Plan of Adjustment of Jack County Hospital District* (the “Second Amended Plan”) [Docket No. 128] and its *Disclosure Statement with Respect to the Second Amended Plan of Adjustment of Jack County Hospital District* (the “Disclosure Statement”) [Docket No. 129]. On February 18, 2022, the Debtor filed its *First Modification to the Second Amended Plan of Adjustment of Jack County Hospital District* (the “Modification”) [Docket No. 165]. The Second Amended Plan, as modified by the Modification, is hereafter referred to as the “Plan.” Defined terms in the Plan are given the same meaning in this Order.

On December 14, 2021, the Court entered an *Order Granting Debtor’s Second Amended Motion to Approve Disclosure Statement, Plan Solicitation and Voting Procedures and Related Notices and Ballots, and to Schedule Confirmation Dates and Deadlines* (the “Disclosure Statement Order”) [Docket No. 148]. The Disclosure Statement Order, among other things: (a) approved the Disclosure Statement for use in soliciting votes on the Second Amended Plan; (b) approved the Debtor’s proposed form of Notice of Confirmation Hearing, Voting Deadline, Confirmation Objection Deadline, and Executory Contract and Unexpired Lease Assumption Objection Deadline Regarding the Second Amended Plan of Adjustment of Jack County Hospital District (the “Confirmation Hearing Notice”); (c) established January 18, 2022 at 5:00 p.m., Central Time (the “Voting Deadline”), as the deadline for voting on the Second Amended Plan; (d) established January 18, 2022 (the “Plan Objection Deadline”) as the deadline for filing and service of objections to confirmation of the Second Amended Plan and/or objections to the Debtor’s assumption of any executory contract or unexpired lease proposed under the Second Amended Plan (“Confirmation Objections”); (e) scheduled a hearing to commence on February 23, 2022 at 1:30 p.m., Central Time, to consider confirmation of the Second Amended Plan (the “Confirmation Hearing”); and (f) approved procedures for the solicitation of votes on the Second Amended Plan, voting on the Second Amended Plan, and

tabulation of votes on the Second Amended Plan (the “Solicitation and Voting Procedures”).

On December 16, 2021, the Debtor transmitted solicitation packets including the Disclosure Statement (which included the Second Amended Plan as an exhibit thereto), Disclosure Statement Order, Confirmation Hearing Notice and Ballots for voting on the Second Amended Plan (the “Solicitation Packets”) in accordance with the Disclosure Statement Order as reflected in the *Certificate of Service* filed on December 16, 2021 as Docket No. 149. The Solicitation Packets were transmitted to all creditors entitled to receive a Solicitation Packet. The Second Amended Plan and Disclosure Statement, in the forms in which they were transmitted for solicitation of votes on the Second Amended Plan, are attached to the *Certificate of Service* filed on December 16, 2021 as Docket No. 149. Also on December 16, 2021, the Debtor served the Confirmation Hearing Notice on all other creditors and parties in interest entitled to receive the same in accordance with the Disclosure Statement Order as reflected in the *Certificate of Service* filed on December 16, 2021 as Docket No. 150.

On January 25, 2022, the Debtor filed the *Tabulation of Ballots in Connection with Confirmation of Jack County Hospital District’s Second Amended Plan of Adjustment* (the “Ballot Tabulation”) [Docket No. 152] in accordance with the Disclosure Statement Order. The Debtor agreed to extend the Voting Deadline and Plan Objection Deadline with respect to Cigna to February 16, 2022 at 5:00 p.m., Central Time, although Cigna did not ultimately submit a Ballot.

Due to construction work being performed at the courthouse, the Confirmation Hearing had to be rescheduled from February 23, 2022 to March 7, 2022. The Debtor served notice of the rescheduled Confirmation Hearing on all creditors and parties in interest on February 1, 2022 [see Docket No. 158].

The Court commenced the Confirmation Hearing on March 7, 2022. The Court closed the evidentiary record except for evidence relating to the identity of the Plan Trust Administrator and the terms of the Plan Trust, and the Confirmation Hearing was recessed to be resumed on

March 17, 2022. The Confirmation Hearing was attended either remotely or in person by, among others: (a) counsel for the Debtor; (b) counsel for Regions; (c) counsel for SOTB; (d) counsel for BCBS; (e) counsel for Aetna; and (f) and counsel for Cigna. The Confirmation Hearing was concluded on March 17, 2022, at which time the Court announced its ruling that the Plan would be confirmed.

Reference is here made to the Plan for all purposes. Capitalized terms not defined in this Order shall have the meaning attributed to such terms in the Plan.

NOW THEREFORE, the Court having considered the Plan, the Ballot Tabulation, all evidence proffered, adduced or introduced at the Confirmation Hearing, the arguments of counsel at the Confirmation Hearing and the entire record of this Case, and after due deliberation thereon and good cause appearing therefore, the Court hereby makes and issues the following findings of fact and conclusions of law and hereby orders:

#### **FINDINGS OF FACT AND CONCLUSIONS OF LAW**

All findings of fact or conclusions of law made by the Court on the record at the Confirmation Hearing are hereby incorporated in their entirety into this Order. The findings and conclusions set forth herein and in the record of the Confirmation Hearing constitute the Court's findings of fact and conclusions of law under Federal Rule of Civil Procedure 52, made applicable by Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") 7052 and 9014. Any and all findings of fact shall constitute findings of fact even if they are stated as conclusions of law and any and all conclusions of law shall constitute conclusions of law even if they are stated as findings of fact.

A. Jurisdiction and Venue Generally. The Court has subject matter jurisdiction to confirm the Plan pursuant to 28 U.S.C. sections 157 and 1334. Venue is proper before the Court pursuant to 28 U.S.C. sections 1408 and 1409. Confirmation of the Plan is a core proceeding under 28 U.S.C. section 157(b)(2)(L) and (O) over which the Court has exclusive

jurisdiction and full constitutional jurisdiction and authority to enter a final order with respect thereto.

B. *In Rem Jurisdiction and the Debtor's Consent to Exercise of Jurisdiction.* This Court has *in rem* jurisdiction over both the Debtor and its property. *Cent. Va. Cmty. College v. Katz*, 546 U.S. 356, 369, 126 S. Ct. 990, 163 L. Ed. 2d 945 (2006) (“Bankruptcy jurisdiction. . . is principally *in rem*.”). This *in rem* jurisdiction is based upon the Court’s jurisdiction over the debtor and the debtor’s property and estate. *Id.* (citing *Tenn. Student Assistance Corp. v. Hood*, 541 U.S. 440, 447, 124 S. Ct. 1905, 158 L. Ed. 2d 764 (2004)). The bankruptcy court has exclusive jurisdiction over the debtor’s property wherever located. *Hood*, 541 U.S. at 447 (citing 28 U.S.C. § 1334(e)(1)). In the context of a Chapter 9 case, this Court has exclusive jurisdiction over all of the debtor’s property based on both 28 U.S.C. § 1334(e)(1) and section 902(1) of the Bankruptcy Code. The Debtor has consented to the exercise of jurisdiction by this Court through the Plan and this Order, thereby removing any Eleventh Amendment limitations on the Court’s exercise of exclusive jurisdiction over the Debtor and the Debtor’s property. See 11 U.S.C. §§ 904(2) and (3). Consequently, this Court has exclusive *in rem* jurisdiction through this Chapter 9 Case over both the Debtor and its property and this Order is binding upon the Debtor and all holders of Treated Claims.

C. *Consent to Entry of Confirmation Order and Further Orders.* Pursuant to and for purposes of section 904 of the Bankruptcy Code, the Debtor has consented to entry of this Order on the terms and conditions set forth in the Plan and to entry of any further orders as necessary or required to implement the provisions of the Plan or any and all related transactions.

D. *Eligibility for Relief.* As determined by the Court in the *Order for Relief in a Chapter 9 Case* [Docket No. 53] entered on October 1, 2020, the Debtor satisfied each of the requirements set forth in section 109(c) of the Bankruptcy Code and was and is eligible to be a

debtor in a Chapter 9 case under the Bankruptcy Code.

E. Burden of Proof. The Debtor, as proponent of the Plan, has the burden of proving the elements of sections 943(b) and 1122 of the Bankruptcy Code, and the subsections of sections 1123 and 1129 of the Bankruptcy Code made applicable to this Case by section 901(a) of the Bankruptcy Code, by a preponderance of the evidence. As set forth below, the Debtor has met that burden by demonstrating that the Plan complies with the applicable provisions of the Bankruptcy Code.

F. Judicial Notice. The Court takes judicial notice of the entire record of proceedings in this Case, including, without limitation, all pleadings, notices, and other documents filed, all orders entered, and all evidence and arguments made, proffered or adduced at the hearings held before the Court during this Case, including, without limitation, the Confirmation Hearing.

G. The Record. The record established at the Confirmation Hearing (the "Record") to support confirmation of the Plan includes:

1. All documents identified by the Debtor at the Confirmation Hearing and all exhibits admitted into evidence at the Confirmation Hearing, including but not limited to those admitted exhibits listed on the *Debtor's Witness and Exhibit List in Connection with Plan Confirmation Hearing Set for March 7, 2022* [Docket No. 176] filed with the Court on March 3, 2022 and the *Debtor's Supplemental Witness and Exhibit List in Connection with Plan Confirmation Hearing Reset for March 17, 2022* [Docket No. 182] filed with the Court on March 14, 2022;
2. The *Notice of Filing of Plan Documents Supplementing Debtor's Second Amended Plan of Adjustment* [Docket No. 164] filed with the Court on February 11, 2022;
3. The Ballot Tabulation; and
4. The statements and arguments of counsel and the testimony of witnesses (including proffered testimony) on the record at the Confirmation Hearing, and all papers and pleadings filed with the Court in connection with confirmation of the Plan.

The Record supports confirmation of the Plan and all related matters demonstrate, by a

clear preponderance of the evidence, that the Plan should be confirmed.

H. Objections. No Confirmation Objections, timely or untimely, were filed by any party or raised at the Confirmation Hearing.

I. Claims Bar Dates. Pursuant to this Court's *Order Granting Debtor's Motion for Entry of Order (I) Approving Form of Notice of Commencement of Case, (II) Approving Manner of Required Publication Notice, (III) Establishing Certain Deadlines and Notice Procedures, and (IV) Granting Related Relief* (the "Procedures Order") [Docket No. 32] entered in this Case: (a) October 9, 2020 was fixed as the Bar Date for all holders of alleged Claims against the Debtor (except for governmental units) to file proofs of Claim against the Debtor; (b) December 8, 2020 was fixed as the Bar Date for all holders of alleged Claims against the Debtor that constitute governmental units to file proofs of Claim against the Debtor; (c) based on the timing of notice of this Case given by the Debtor, October 19, 2020 was established as the Bar Date by which U.S. Bank – Direct Lending was required to file a proof of Claim against the Debtor (*see Certificate of Service* filed by the Debtor on September 4, 2020 as Docket No. 45); (d) based on the timing of notice of this Case given by the Debtor, June 3, 2021 was established as the Bar Date by which each Named Outreach Defendant (other than Athenahealth) was required to file a proof of Claim against the Debtor (*see Certificate of Service* filed by the Debtor on April 19, 2021 as Docket No. 113); and (e) based on the timing of notice of this Case given by the Debtor, November 15, 2021 was established as the Bar Date by which Athenahealth was required to file a proof of Claim against the Debtor (*see Certificate of Service* filed by the Debtor on September 29, 2021 as Docket No. 127).

J. Claim Objections and Resolutions. Pursuant to the Plan, the Plan Trust Administrator has the sole power and exclusive standing to object to the allowance of any Class 4 Claim. Class 4 Claims, and any objections by the Plan Trust Administrator to the allowance thereof, shall be administered as set forth in the Plan Trust Agreement. Pursuant to the Plan,

the Debtor has the sole power and exclusive standing and authority to object to the allowance of any Claim that is not a Class 4 Claim. Without limiting the generality of the foregoing, and except as otherwise provided in the Plan, the Debtor shall, with respect to any Claim that is not a Class 4 Claim, have the power: (i) to object to any such Claim on any legal or equitable basis; (ii) to seek subordination of any such Claim on any legal or equitable basis; (iii) to assert any right of setoff or recoupment, including without limitation, any such right pursuant to section 553 of the Bankruptcy Code; (iv) to assert any and all Debtor Defenses to any such Claim, whether legal or equitable, including any affirmative defenses or any right of setoff; (v) to assert all Debtor Claims as a counterclaim against any such Claim, whether arising out of the same or different transactions, both for an affirmative recovery and as an offset against any such Claim; and (vi) to object to any such Claims on the basis of section 502(d). Vesting such exclusive power and standing in the Plan Trust Administrator and the Debtor, as applicable, is reasonable and appropriate, and is authorized by, and in compliance with, section 1123(b)(3) of the Bankruptcy Code.

K. Disclosure Statement Order Compliance. The Debtor has complied with the Disclosure Statement Order, including the Solicitation and Voting Procedures contained therein, in all respects.

L. Transmittal and Mailing of Solicitation Materials; Notice. Due, adequate and sufficient notice of the Second Amended Plan and the Confirmation Hearing, together with all deadlines for voting on or objecting to the Second Amended Plan, has been given by the Debtor to known holders of Treated Claims in compliance with the Bankruptcy Rules and Disclosure Statement Order. The Solicitation Packets and all other materials relating in any way to the solicitation process were transmitted and served in compliance with the Disclosure Statement Order and in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Solicitation and Voting Procedures, and all other applicable rules, laws and

regulations. The notice provided was due and proper with respect to all matters relating to the solicitation of votes on, and the confirmation of, the Second Amended Plan, and satisfied the requirements of due process with respect to all Creditors and other parties in interest. Because such transmittal and service were adequate and sufficient, all parties in interest in this Case had a full and fair opportunity to appear and be heard at the Confirmation Hearing and no other or further notice is necessary or shall be required.

M. Adequacy of Solicitation. The Debtor distributed Solicitation Packets to all holders of impaired Claims entitled to vote on the Second Amended Plan and sufficient time was prescribed for such holders of Claims to accept or reject the Second Amended Plan in compliance with the Disclosure Statement Order and the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Solicitation and Voting Procedures, and all other applicable rules, laws and regulations. Transmittal and service were adequate and sufficient, and no further notice is or shall be required. In addition, parties in interest that were not entitled to vote to accept or reject the Second Amended Plan were provided with certain non-voting materials approved by the Court in compliance with the Disclosure Statement Order. All procedures used to distribute Solicitation Packets to holders of Claims entitled to vote on the Second Amended Plan were fair and conducted in accordance with the Disclosure Statement Order, the Bankruptcy Code, the Bankruptcy Rules, and all other applicable rules, laws and regulations.

N. Voting Tabulation and Voting by Impaired Classes Entitled to Vote. All procedures used to tabulate the Ballots were fair and conducted in accordance with the Disclosure Statement Order, the Solicitation and Voting Procedures, the Bankruptcy Code, the Bankruptcy Rules, and all other applicable rules, laws and regulations. As set forth in the Second Amended Plan and Disclosure Statement, Classes 1, 2, 3 and 4 are impaired and eligible to vote on the Second Amended Plan. As evidenced by the Ballot Tabulation, Classes

1, 2, 3 and 4 voted to accept the Plan under section 1126(c) of the Bankruptcy Code (made applicable to this Case by section 901(a) of the Bankruptcy Code) and for purposes of section 1129(a)(8)(A) of the Bankruptcy Code (made applicable to this Case by section 901(a) of the Bankruptcy Code).

O. Timeliness of the Plan. The Debtor did not file the Second Amended Plan with the Petition. The filing of the Second Amended Plan was nevertheless timely under section 941 of the Bankruptcy Code because the Court has not established a deadline by which the Debtor was required to file a plan of adjustment in this Case.

P. Bankruptcy Rule 3016. The Second Amended Plan is dated, thereby satisfying Bankruptcy Rule 3016(a). The filing of the Disclosure Statement satisfied Bankruptcy Rule 3016(b). The Second Amended Plan provides for an injunction against conduct not otherwise enjoined under the Bankruptcy Code. Bankruptcy Rule 3016(c) is satisfied because both the Second Amended Plan and the Disclosure Statement describe in specific and conspicuous language all acts to be enjoined and identify the entities subject to such injunction.

Q. Bankruptcy Rule 3017. The Debtor gave notice of the Confirmation Hearing as required by the applicable provisions of Bankruptcy Rule 3017 and the Disclosure Statement Order. The Solicitation Packets and notice given by the Debtor to holders of Claims entitled to vote on the Second Amended Plan and the materials transmitted by the Debtor to other parties-in-interest satisfy the applicable provisions of Bankruptcy Rules 3017(d) and (f) and the Disclosure Statement Order. Therefore, the requirements of Bankruptcy Rule 3017 have been satisfied.

R. Bankruptcy Rule 3018. The solicitation of votes to accept or reject the Second Amended Plan satisfies Bankruptcy Rule 3018. The Second Amended Plan was transmitted to all holders of Claims entitled to vote, sufficient time was prescribed for such parties to accept or reject the Second Amended Plan, and the materials used and Solicitation and Voting

Procedures followed comply with applicable provisions of sections 1125 and 1126 of the Bankruptcy Code, thereby satisfying the requirements of Bankruptcy Rule 3018. Further, the Debtor filed the Ballot Tabulation in accordance with the provisions of the Disclosure Statement Order.

S. Modification of the Second Amended Plan. As permitted by section 942 of the Bankruptcy Code, the Debtor filed the Modification prior to the Confirmation Hearing. The Modification is appropriate under section 942 of the Bankruptcy Code because the modifications made to the Second Amended Plan by the Modification do not result in the Second Amended Plan failing to meet any requirements of Chapter 9 of the Bankruptcy Code.

T. Confirmation Requirements. By a clear preponderance of the evidence demonstrated by the Record and the provisions of the Plan, the Plan satisfies each and every requirement of confirmation set forth in section 943 of the Bankruptcy Code, to the extent applicable, as follows:

1. Section 943(b)(1). The Plan complies with all provisions of the Bankruptcy Code made applicable to Chapter 9 cases by sections 103(f) and 901 of the Bankruptcy Code. Specifically:

a. Section 1122. The classification of Claims under the Plan is proper under the Bankruptcy Code. Pursuant to section 1122(a) of the Bankruptcy Code, Article IV of the Plan provides for the separate classification of Claims into four Classes (and two subclasses of one such Class), based on differences in the legal nature or priority of such Claims (other than Administrative Expense Claims, which are addressed in Article III of the Plan, and which are not required to be designated as separate Classes pursuant to section 1123(a)(1) of the Bankruptcy Code). Valid business, factual, and legal reasons exist for the separate classification of the various Classes of Claims and subclasses created under the Plan. The classifications were not designed for any improper purpose and the creation of such

Classes and subclasses does not unfairly discriminate between or among the holders of Claims. In accordance with section 1122(a) of the Bankruptcy Code, each Class of Claims (and subclass of a Class of Claims) contains only Claims that are substantially similar to the other Claims within that Class (or subclass). Accordingly, the requirements of section 1122(a) of the Bankruptcy Code have been satisfied. Section 1122(b) of the Bankruptcy Code is inapplicable because the Plan does not designate a separate class of claims consisting solely of unsecured claims less than or reduced to a certain amount for administrative convenience.

b. Section 1123(a)(1). In accordance with section 1123(a)(1) of the Bankruptcy Code, Article IV of the Plan properly classifies all Claims that require classification, and the classifications in the Plan comply with section 1122(a) of the Bankruptcy Code, as described above.

c. Section 1123(a)(2). Section 1123(a)(2) is inapplicable because there are no unimpaired classes under the Plan.

d. Section 1123(a)(3). Each Class of Claims is impaired under the Plan within the meaning of section 1124 of the Bankruptcy Code and is identified as impaired in the Plan. Article IV of the Plan specifies the treatment of each Class of Claims. Therefore, the requirements of section 1123(a)(3) of the Bankruptcy Code have been satisfied.

e. Section 1123(a)(4). Article IV of the Plan provides for the same treatment for each Claim within a particular Class or subclass of a Class (and here no holder of a particular Claim has agreed to less favorable treatment). Therefore, the requirements of section 1123(a)(4) of the Bankruptcy Code have been satisfied.

f. Section 1123(a)(5). The Plan provides adequate and proper means for its implementation as demonstrated by, *inter alia*, the provisions of Articles VI and VII of the Plan. Therefore, the requirements of section 1123(a)(5) of the Bankruptcy Code have been satisfied.

g. Section 1123(b). The Plan contains various provisions that are properly construed as discretionary and not required for confirmation of the Plan under the Bankruptcy Code. All such discretionary provisions comply with section 1123(b) of the Bankruptcy Code, are not inconsistent with the applicable provisions of the Bankruptcy Code, and are hereby approved. Therefore, section 1123(b) of the Bankruptcy Code has been satisfied.

h. Section 1123(d). Except to the extent that a Claim for a Cure Amount has been resolved pursuant to the terms of the Plan, any potential Cure Amount to be paid by the Debtor in connection with the assumption of an Executory Contract has been determined by the Debtor in accordance with the underlying agreements and applicable nonbankruptcy law and set forth on Exhibit "B" to the Plan, or shall be determined in accordance with the underlying agreements and applicable nonbankruptcy law. Therefore, the requirements of section 1123(d) of the Bankruptcy Code are satisfied.

i. Section 1128. The Court commenced the Confirmation Hearing on March 7, 2022 and resumed and concluded the Confirmation hearing on March 17, 2022, all after appropriate notice and opportunity for objections by Creditors and other parties in interest in compliance with the Bankruptcy Code and Bankruptcy Rules. Therefore, the requirements of section 1128 of the Bankruptcy Code have been satisfied.

j. Section 1129(a)(2). The Debtor, as proponent of the Plan, has complied with all applicable provisions of the Bankruptcy Code with respect to the Plan and the solicitation of acceptances or rejections thereof. In particular, the Second Amended Plan and the Debtor's solicitation of acceptances or rejections of the Second Amended Plan complied with the requirements of sections 1125 and 1126(a)-(c) and (e)-(g) of the Bankruptcy Code (made applicable in Chapter 9 cases by section 901 of the Bankruptcy Code) as follows:

(i). Section 1125(b). As reflected in the *Certificate of Service*

filed on December 16, 2021 as Docket No. 149, the Debtor complied with section 1125(b) of the Bankruptcy Code by transmitting the Solicitation Packets to holders of Allowed Claims entitled to vote on the Second Amended Plan.

(ii). Section 1125(c). In compliance with section 1125(c) of the Bankruptcy Code, the Debtor transmitted the same Disclosure Statement to all holders of Claims within each Class under the Second Amended Plan.

(iii). Section 1125(e). In accordance with section 1125(e) of the Bankruptcy Code, the Debtor solicited acceptances or rejections of the Second Amended Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code.

(iv). Section 1126(a). In accordance with section 1126(a) of the Bankruptcy Code, holders of Allowed Claims classified in the Second Amended Plan were given the opportunity to vote to accept or reject the Second Amended Plan using Ballots and the Solicitation and Voting Procedures previously approved by the Court in the Disclosure Statement Order.

(v). Section 1126(b). Section 1126(b) of the Bankruptcy Code is inapplicable to the Second Amended Plan.

(vi). Section 1126(c). The Ballot Tabulation was timely and properly filed and identifies the amount and number of Allowed Claims of each Class accepting or rejecting the Second Amended Plan. All Classes of Claims voted, by requisite majorities of at least two-thirds in amount (the dollar amounts stated below are based on the dollar amounts reflected in the Ballots submitted, and the inclusion of such amounts in this Order does not constitute a judicial determination by this Court of the ultimate Allowed amounts of such Claims) and more than one-half in number of those Ballots cast, to accept the Second Amended Plan:

Class 1 – Regions Claim	Yes: 1 Vote = 100%;	\$19,406,000.00 = 100%
Class 2 – SOTB Claims	Yes: 1 Vote = 100%;	\$3,699,000.00 = 100%

Class 3 – Poynor Claim            Yes: 1 Vote = 100%;        \$1,000,000.00 = 100%

Class 4 – Unsecured Claims    Yes: 3 Votes = 100%;        \$57,902,965.15 = 100%

   No: 0 Votes = 0%;            \$0.00 = 0%

(vii).    Section 1126(f). Section 1126(f) of the Bankruptcy Code is inapplicable because all Classes of Claims are impaired under the Second Amended Plan.

(viii).   Section 1126(g). Section 1126(g) of the Bankruptcy Code is inapplicable because all Classes of Claims are to receive or retain some kind of property under the Second Amended Plan on account of such Claims.

(ix).    Section 1127(d). Pursuant to section 1127(d) of the Bankruptcy Code, each holder of a Claim that voted to accept the Second Amended Plan is deemed to have accepted the Second Amended Plan as modified by the Modification. No holder of a Claim that voted on the Plan prior to the filing of the Modification requested that the Court establish a time period during which such holder would be permitted to change its vote on the Plan.

k.        Section 1129(a)(3). The Debtor has proposed the Plan (and all other agreements, documents, and instruments necessary to effectuate the Plan) in good faith and not by any means forbidden by law, thereby satisfying section 1129(a)(3) of the Bankruptcy Code. The Debtor's good faith is evident from the Record and other proceedings held in this Case. The Plan was proposed with the legitimate and honest purpose of effectuating a successful adjustment of the Debtor's debts in accordance with the purpose of Chapter 9. The Debtor's good faith is further shown by the fact that the Plan is supported by Aetna, BCBS, Cigna, Humana, Regions, SOTB and Poynor, with whom the Debtor has worked closely throughout the Case and negotiated the Plan treatments.

l.        Section 1129(a)(6). The Plan does not contain any rate changes subject to the jurisdiction of any governmental regulatory commission. Therefore, section

1129(a)(6) is not applicable to the Plan.

m. Section 1129(a)(8). Based on the results of the balloting reflected in the Ballot Tabulation and as set forth above, all Classes of Claims voted to accept the Second Amended Plan. Therefore, the requirements of section 1129(a)(8) of the Bankruptcy Code have been satisfied.

n. Section 1129(a)(10). Based on the results of the balloting reflected in the Ballot Tabulation and as set forth above, at least one Class of Claims that is impaired under the Second Amended Plan has accepted the Second Amended Plan without including the acceptance of the Second Amended Plan by any Insider. Therefore, the requirements of section 1129(a)(10) of the Bankruptcy Code have been satisfied.

o. Sections 1129(b)(1), 1129(b)(2)(A) and 1129(b)(2)(B). Because the Plan satisfies section 1129(a)(8) of the Bankruptcy Code, resort to confirmation by cram down is not necessary and sections 1129(b)(1), 1129(b)(2)(A) and 1129(b)(2)(B) are therefore inapplicable to the Plan.

2. Section 943(b)(2). As required by section 943(b)(2) of the Bankruptcy Code, the Plan complies with the relevant provisions of Chapter 9 of the Bankruptcy Code.

3. Section 943(b)(3). As required by section 943(b)(3) of the Bankruptcy Code, all amounts previously paid and to be paid by the Debtor for services and expenses of professionals in this Case or incident to the Plan have been fully disclosed to the Court in the *Debtor's Professional Fee and Expense Disclosure Pursuant to 11 U.S.C. § 943(b)(3)* [Docket No. 137], the *Debtor's First Supplemental Professional Fee and Expense Disclosure Pursuant to 11 USC § 943(b)(3)* [Docket No. 168], and at the Confirmation Hearing (collectively, the "Fee Disclosures"). The Court hereby finds that all such amounts previously paid and to be paid by the Debtor are reasonable.

4. Section 943(b)(4). In accordance with section 943(b)(4) of the

Bankruptcy Code, the Debtor is not prohibited by law from taking any action necessary to carry out the Plan.

5. Section 943(b)(5). The Plan reflects that the Debtor, as permitted by section 904 of the Bankruptcy Code, has paid the reasonable and ordinary expenses incurred in operating its business from and after the Petition Date in the ordinary course of its business. The Plan provides that the Debtor shall continue to pay, after the Effective Date, in the ordinary course of business, the reasonable and ordinary expenses incurred in operating the Debtor's business before the Effective Date. The Plan therefore satisfies the requirements of section 943(b)(5) of the Bankruptcy Code that, unless the holder of an Administrative Expense Claim has agreed to a different treatment of its Claim, the Plan provides that such Administrative Expense Claims shall be paid in full in cash on the Effective Date of the Plan.

6. Section 943(b)(6). In accordance with section 943(b)(6) of the Bankruptcy Code, the Record indicates that any regulatory or electoral approval necessary under applicable nonbankruptcy law in order to carry out any provision of the Plan has been obtained, and that no further regulatory or electoral approvals are required.

7. Section 943(b)(7). It is this Court's judgment that the Plan is in the best interests of Creditors and is feasible:

a. Best Interests of Creditors. The Plan is in the best interests of Creditors because it provides Creditors, as a whole, with a better alternative than dismissal of this Case and provides all that Creditors can reasonably expect under the circumstances. Because the Debtor is a municipality, the Debtor is not eligible for court-supervised liquidation under Chapter 7 of the Bankruptcy Code. If this Case were dismissed, Creditors would be left with only state law rights to pursue recovery on their Claims. Dismissal would potentially lead to chaos and a race to the courthouse by such Creditors, with the Debtor facing substantial unpaid debts and millions of dollars in asserted liabilities that have otherwise been resolved through the

Plan. The valuations of the Debtor's business enterprise, real estate, and personal property reflected in the Disclosure Statement and Exhibit "C" to the Disclosure Statement indicate that, in the event of a dismissal of this Case, Creditors would likely recover little on their Claims beyond the value of Secured Creditors' collateral. Therefore, the Plan satisfies the requirement of section 943(b)(7) of the Bankruptcy Code that the Plan be in the best interest of the collective Creditor body.

b. Feasibility. The Debtor's Projections attached as Exhibit "B" to the Disclosure Statement set forth the Debtor's best estimates of revenues and expenses through the end of its fiscal year ending May 31, 2026. The Debtor formulated the Plan and determined the treatment of Creditors under the Plan based on such Projections after careful consideration by the Debtor and its advisors. The Projections support the Court's conclusion that the Plan is feasible under section 943(b)(7) of the Bankruptcy Code. In the context of a Chapter 9 plan of adjustment, feasibility requires that the debtor have a reasonable prospect of successfully implementing its plan of adjustment while continuing to provide government services. In this Case, it is more likely than not that the Debtor will be able to make the Distributions contemplated by the Plan and, at the same time, continue to provide the health care services to the communities it serves. The Record demonstrates the Debtor's reasonable prospect of successfully implementing the Plan. The Plan therefore satisfies the requirement of section 943(b)(7) of the Bankruptcy Code that the Plan be feasible.

U. Assumption of Executory Contracts. The Debtor has satisfied the provisions of section 365 of the Bankruptcy Code with respect to the assumption and rejection of the Executory Contracts pursuant to the Plan. The Debtor has exercised reasonable business judgment prior to the Confirmation Hearing in determining whether to assume or reject each of the Executory Contracts as set forth in Article IX of the Plan, Exhibit "B" to the Plan, or otherwise. Each assumption or rejection of an Executory Contract pursuant to this Order and in

accordance with Article IX of the Plan, or otherwise by order of this Court, shall be valid, legal, and binding upon the Debtor and all non-Debtor persons or entities party to such Executory Contract. Executory Contracts not previously assumed by order of this Court and which the Debtor has determined to assume are identified in Exhibit "B" to the Plan. Because no defaults exist under those certain Executory Contracts identified in Exhibit "B" to the Plan as having Cure Amounts of "\$0.00," the Debtor is not required to make any cure payments, provide any other compensation, cure any nonmonetary defaults, or provide adequate assurance of future performance under section 365(b) of the Bankruptcy Code as a condition to the assumption of such Executory Contracts. With respect to the Payor Agreements, including any Payor Agreements identified in Exhibit "B" to the Plan, any Cure Amounts associated with the Debtor's assumption of the Payor Agreements shall be determined and satisfied as set forth in section 9.04 of the Plan. With respect to the leases reflected in Proofs of Claim 8-1 and 9-1 respectively filed by Wells Fargo Vendor Services, LLC and U.S. Bank, N.A., d/b/a U.S. Bank Equipment Finance, such leases shall ride through bankruptcy pursuant to section 9.08 of the Plan.

V. Clarifications Regarding Cigna's Payor Agreement and Effect of Assumption of Payor Agreements on Timely Filed Proofs of Claim. The Payor Agreement between the Debtor and Cigna means that certain Hospital Services Agreement with an effective date of February 1, 2013, as amended pursuant to section 6.8.1 thereof by (a) that certain notice given to the Debtor by Cigna by letter dated February 15, 2018, and (b) that certain notice given to the Debtor by Cigna by letter dated February 16, 2018. The Debtor's assumption of the Payor Agreements shall not eliminate or in any manner cause the disallowance of any timely filed proof of Claim filed by a Payor, and all timely filed proofs of Claim filed by the Payors shall constitute Class 4A Claims and shall be administered, treated and satisfied in accordance with the provisions of the Plan and the Plan Trust Agreement.

W. Qualification of the Proposed Plan Trust Administrator. Jason Rae shall serve as the Plan Trust Administrator. Based on the Record, Mr. Rae is qualified to serve as the Plan Trust Administrator. As required by the Plan, BCBS and the Payors, in consultation with the Debtor, have selected Mr. Rae to serve as the Plan Trust Administrator.

X. Plan Trust Agreement. The Plan Trust Agreement was prepared by BCBS and the Payors, and approved by the Debtor, in accordance with the requirements of the Plan. The Plan Trust Agreement is reasonable and appropriate, and contains terms and provisions that are, in all material respects, consistent with the Plan. On the Effective Date, the Plan Trust shall be created pursuant to the Plan Trust Agreement.

Y. Compromise and Settlement. The Court finds and concludes that, pursuant to section 1123(b)(3)(A) of the Bankruptcy Code and Bankruptcy Rule 9019, in consideration of the Distributions and other benefits provided under the Plan, the provisions of the Plan constitute a good faith compromise and settlement of all Treated Claims and controversies resolved pursuant to the Plan. Each of such settlements and compromises, which were made at arm's length in exchange for good and valuable consideration, are in the best interests of the Debtor, the Debtor's Creditors and other parties in interest, are within the range of possible litigation outcomes, are fair, equitable, and reasonable, and are and shall be upon entry of this Order and the occurrence of the Effective Date valid and legally binding and enforceable as between the respective parties thereto.

Z. Plan Injunction. The injunction set forth in section 11.04 of the Plan (the "Plan Injunction") is necessary and appropriate to facilitate the transactions and Distributions to Creditors pursuant to the Plan. The Plan Injunction constitutes an essential and integral part of the Plan without which the holders of Treated Claims against the Debtor could potentially interfere with implementation and performance of the Plan. The Plan Injunction protects the best interests of the holders of Allowed Treated Claims and facilitates the efficient performance

of the Plan. Consequently, the Plan Injunction is appropriate pursuant to sections 105(a) and 1123(a)(5) of the Bankruptcy Code.

AA. Compliance with Technical Requirements. Pursuant to Bankruptcy Rule 3020(c), if a plan of adjustment provides for an injunction against conduct not otherwise enjoined under the Bankruptcy Code, the order confirming the plan of adjustment must: (a) describe the acts enjoined in reasonable detail; (b) be specific in its terms with regard to the injunction; and (c) identify the entities subject thereto. The Plan Injunction as set forth in this Order satisfies each of these requirements. The description of acts enjoined is specific and particular and the language of the Plan Injunction is therefore reasonably detailed. The Plan Injunction is also specific in its terms. The Plan Injunction also specifically identifies the entities subject to its terms. Therefore, the Plan Injunction satisfies all requirements of the applicable Bankruptcy Rules.

BB. Retention of Jurisdiction. This Court finds and concludes that this Court's retention of jurisdiction as set forth herein and in the Plan comports with 28 U.S.C. sections 157 and 1334 and section 945(a) of the Bankruptcy Code. Consequently, the Court may properly retain jurisdiction over the matters set forth in Article XII of the Plan.

CC. Implementation of Necessary Documents and Agreements. All Plan Documents and other documents and agreements necessary to implement the Plan are essential elements of the Plan and entry into and consummation of the transactions contemplated by each of such documents and agreements is in the best interests of the Debtor and the holders of Treated Claims. The Debtor has exercised reasonable business judgment in determining which agreements to enter into and has provided sufficient and adequate notice of such documents and agreements. The terms and conditions of such documents and agreements have been negotiated in good faith, at arm's length, are fair and reasonable, are reaffirmed and approved, and are and shall be upon entry of this Order and the occurrence of the Effective Date valid and

legally binding and enforceable as between the respective parties to such documents and agreements.

DD. Conditions Precedent to the Effective Date. Each of the conditions precedent to the Effective Date, as set forth in Article X of the Plan, has been satisfied or waived in accordance with the provisions of the Plan, or is reasonably likely to be satisfied or waived.

### **ORDER**

Accordingly, it is hereby ORDERED:

2. Plan Confirmed. All requirements for confirmation of the Plan have been satisfied. The Plan is hereby **CONFIRMED** in its entirety pursuant to section 943 of the Bankruptcy Code, and all terms and conditions set forth in the Plan are hereby **APPROVED**. A copy of the Second Amended Plan is attached hereto as **Exhibit "A."** A copy of the Modification is attached hereto as **Exhibit "B."** The terms of the Plan are incorporated by reference into, and are an integral part of, this Order.

3. Construction. In the event of any conflict between the Plan and any portion of the Plan Trust Agreement, the provisions of the Plan shall control. In the event of any conflict between the Plan and any portion of the other Plan Documents, the provisions of the Plan Documents shall control. In the event of any conflict between this Order and any portion of the Plan, the Plan Trust Agreement, other Plan Documents, or the Disclosure Statement, the provisions of this Order shall control.

4. Solicitation and Notice. Notice of the Confirmation Hearing complied with the terms of the Disclosure Statement Order, was appropriate and satisfactory based on the circumstances of this Chapter 9 Case, and was in compliance with the provisions of the Bankruptcy Code and Bankruptcy Rules. The solicitation of votes on the Second Amended Plan and the Solicitation Packets complied with the Disclosure Statement Order and the Solicitation and Voting Procedures, was appropriate and satisfactory based upon the circumstances of this Chapter 9 Case, and was in compliance with the provisions of the Bankruptcy Code and the Bankruptcy Rules.

5. Reference to Plan Provisions. The failure specifically to include or to refer to any particular article, section, or provision of the Plan, or any related document in this Order shall not diminish or impair the effectiveness of such article, section, or provision, it being the intent of the Court that the Plan and any related documents be confirmed and approved in their entirety.

6. Plan Classification Controlling. The terms of the Plan shall solely govern the classification of Claims for purposes of Distributions to be made thereunder. The classifications set forth on the Ballots tendered to or returned by the holders of Claims in connection with voting on the Second Amended Plan: (a) were set forth thereon solely for purposes of voting to accept or reject the Second Amended Plan; (b) do not necessarily represent, and in no event shall be deemed to modify or otherwise affect, the actual classification of Claims under the Plan for distribution purposes; (c) may not be relied upon by any holder of a Claim as representing the actual classification of such Claim under the Plan for distribution purposes; and (d) shall not be binding upon the Debtor except for voting purposes.

7. Immediate Binding Effect. Notwithstanding Bankruptcy Rules 3020(e), 6004(h) or 7062 or otherwise, upon the occurrence of the Effective Date, the terms of the Plan shall be immediately effective and enforceable and deemed binding upon the Debtor and any and all holders of Claims, all entities that are parties to or are subject to the settlements, compromises,

releases, discharges, and injunctions described in the Plan or herein, any and all non-Debtor parties to Executory Contracts with the Debtor, and all other persons or entities receiving notice of the Plan.

8. Approval of the Plan Trust Agreement and Other Plan Documents. The Plan Trust shall be established and governed by the form of the Plan Trust Agreement attached to this Order as **Exhibit “C.”** The Plan Trust Agreement attached hereto as Exhibit “C” is hereby approved in all respects. The form and substance of all other Plan Documents are hereby approved in all respects. The parties to the Plan Trust Agreement shall execute and deliver the same as soon as practicable after the Effective Date.

9. Approval of the Plan Trust Administrator and Approval of Compensation. The appointment of Jason Rae as the Plan Trust Administrator is hereby approved. In acting as the Plan Trust Administrator, Mr. Rae shall have the rights and powers granted to the Plan Trust Administrator as set forth in the Plan and in the Plan Trust Agreement, and shall be compensated pursuant to the terms set forth in the Plan Trust Agreement. The terms of such compensation are fair and reasonable and are hereby approved in all respects.

10. Plan Implementation. The Debtor, the Plan Trust Administrator, and their respective officers, employees, representatives, agents and attorneys are hereby fully authorized, empowered and directed to take all actions to execute, deliver, file, or record such contracts, instruments, releases, and other agreements or documents, including but not limited to the Plan Documents, and to take all other actions necessary or appropriate to implement, effectuate or consummate the Plan, the terms of this Order and the transactions respectively contemplated therein, and to otherwise fully perform and execute their duties under the Plan or this Order without the need for any approvals, authorizations, actions, or consents except for those expressly required pursuant hereto. Without limiting the generality of the foregoing, pursuant to section 1142(b) of the Bankruptcy Code, each and every Person, to the extent

necessary, is hereby directed to execute and deliver and file, as appropriate, or to join in the execution or delivery of, any Plan Document or other instrument required to implement, effectuate, consummate, or remain consistent with, the Plan or this Order, and to make the Plan effective. This Order shall constitute all approvals and consents, if any, required by the laws, rules and regulations of all states and any other state or federal governmental entity which has any jurisdiction with respect to the implementation and consummation of the Plan or otherwise with respect to the matters contemplated therein. In the event of an appeal of this Order, the Debtor and the Plan Trust Administrator are hereby authorized and directed to take all steps necessary to make the Plan effective and, from and after the Effective Date, execute their duties, responsibilities and obligations under the Plan, this Order and the Plan Documents unless and until this Order is stayed by order of a court of appropriate jurisdiction.

11. Retention of Assets. On the Effective Date, without any other or further order by the Court, all Assets of the Debtor shall be retained by the Debtor, free and clear of all rights, title, interests, Claims, liens, encumbrances and charges in relation to the holders of any Treated Claims, except as expressly set forth in the Plan or any agreement, instrument, or other document incorporated therein, or this Order.

12. Transfers of Assets to the Plan Trust Administrator. As of the Effective Date, the Debtor shall transfer, in accordance with and on the terms set forth in the Plan, the following Assets to the Plan Trust Administrator: (a) the Plan Trust Outreach Claims; and (b) the cash sum of two hundred fifty thousand dollars (\$250,000.00). The Debtor shall not be required to transfer any other Assets to the Plan Trust Administrator.

13. Retention and Assertion of Causes of Action and Defenses. Except as expressly set forth in the Plan, all causes of action, claims, counterclaims, defenses and rights of offset or recoupment (including but not limited to all Debtor Claims, Debtor Defenses and Avoidance Actions) belonging to the Debtor (collectively the "Retained Actions") shall, upon the occurrence

of the Effective Date, be retained by the Debtor. Without limiting the scope of the foregoing, all Plan Trust Outreach Claims shall be retained by the Debtor for the limited purpose of assignment to the Plan Trust Administrator on the Effective Date. Except as expressly set forth in the Plan, the rights of the Debtor or the Plan Trust Administrator, as appropriate, to commence, prosecute or settle any Retained Action shall be preserved notwithstanding the occurrence of the Effective Date. **No Person may rely on the absence of a specific reference in the Plan or the Disclosure Statement to any cause of action against them as any indication that the Debtor or the Plan Trust Administrator will not pursue any and all available causes of action (including all Retained Actions, Plan Trust Outreach Claims, Debtor Defenses and Avoidance Actions) against them.** Unless any Retained Action against a Person is expressly waived, relinquished, exculpated, released, compromised or settled, or otherwise deemed Allowed in the Plan or a Final Order, the Retained Actions shall be reserved for later adjudication or assignment to the Plan Trust Administrator. Therefore, no preclusion doctrine, including without limitation, the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise) or laches, shall apply to such Retained Actions upon or after the confirmation or consummation of the Plan. The Debtor may also assert Debtor Defenses as a defense to the allowance of any Claim not otherwise Allowed. The right of any counterparty to any Executory Contract other than the Payor Agreements to payment of any Cure Amount shall be subject to all of the Debtor's Retained Actions and Debtor Defenses. The holders of Untreated Claims are not affected by the Plan. Consequently, the Debtor shall also retain, unaffected and unimpaired, all rights, claims and defenses against all holders of Untreated Claims, including all rights of netting whether based upon offset or recoupment.

14. Provisions Governing Distributions. The distribution provisions of Articles VII and VIII of the Plan are hereby approved in their entirety. The Debtor shall make all Distributions

required under the Plan, other than Trust Distributions. Trust Distributions shall be made by the Plan Trust Administrator in the manner set forth in the Plan Trust Agreement.

15. Claims Objection Deadline. The Objection Deadline shall be the day that is ninety (90) days after the Effective Date; provided, however, the Objection Deadline shall not apply to Claims which are not reflected in the claims register, including any alleged informal proofs of Claim. Either the Debtor or the Plan Trust Administrator may seek to extend the Objection Deadline, each as to the Claims as to which they have standing to object, pursuant to a motion filed on or before the then applicable Objection Deadline with respect to any Claims. Any such motion may be granted without notice or a hearing. In the event that the Debtor or Plan Trust Administrator files such a motion and the Court denies such motion, the Objection Deadline shall nevertheless be automatically extended to that date which is ten (10) Business Days after the date of entry of the Court's order denying such motion. Any proof of claim filed more than thirty (30) days after the Effective Date shall be of no force and effect and need not be objected to by either the Debtor or the Plan Trust Administrator. Nothing contained in the Plan or this Order shall limit the right of the Debtor or the Plan Trust Administrator to object to Claims, if any, filed or amended after the Objection Deadline.

16. Procedures for Resolving Contested and Contingent Claims. The Claims resolution procedures contained in Article VIII of the Plan are hereby approved; provided, however, that the Claims resolution procedures set forth in sections 8.03 through 8.06 of the Plan shall not apply to holders of Class 4 Claims. Class 4 Claims shall be administered as set forth in the Plan Trust Agreement.

17. Administrative Expense Claims (Generally). The Debtor shall continue to pay, after the Effective Date, in the ordinary course of its business, the reasonable and ordinary expenses incurred in operating the Debtor's business before the Effective Date.

18. Professional Fee Claims. All amounts previously paid and to be paid by the Debtor for services and expenses of professionals in this Case or incident to the Plan have been fully disclosed to the Court through the Fee Disclosures, and are hereby approved in all respects. Any unpaid Professional Fees owed by the Debtor may be paid on or as soon as reasonably practicable following the date of entry of this Order, or at such other time as may be agreed upon in writing by such professionals and the Debtor. In the ordinary course of business, the Debtor may pay for professional services rendered and expenses incurred after the Effective Date.

19. Treatment of Executory Contracts and Unexpired Leases. The Executory Contract provisions of Article IX of the Plan are hereby approved in their entirety. The assumption of Executory Contracts as set forth in the Plan, this Order, and Exhibit "B" to the Plan are hereby approved and such Executory Contracts are hereby deemed assumed as of the Effective Date. Because no defaults exist under those certain Executory Contracts identified in Exhibit "B" to the Plan as having Cure Amounts of "\$0.00," the Debtor's assumption of such Executory Contracts does not require the Debtor to make any cure payments, provide any other compensation, cure any nonmonetary defaults, or provide adequate assurance of future performance under section 365(b) of the Bankruptcy Code with respect to such Executory Contracts. Likewise, the rejection of certain contracts pursuant to section 9.02 of the Plan is hereby approved. With respect to the Payor Agreements, including any Payor Agreements identified in Exhibit "B" to the Plan, any Cure Amounts associated with the Debtor's assumption of the Payor Agreements shall be determined and satisfied as set forth in section 9.04 of the Plan. Any Rejection Claims must be filed within the time specified in section 9.05 of the Plan, failing which any such Rejection Claim shall be forever barred and shall not be enforceable against the Debtor or the Assets, and the holder of any such barred Rejection Claim shall be

precluded from receiving any Distribution pursuant to the Plan on account of such barred Rejection Claim.

20. Schedule B to the Plan is hereby corrected as to executory contract number 15 to reflect the identity of the counterparty as the assignee of Flex Financial, a division of the Striker Sales Corp., as follows:

TCF Equipment Finance, a division of TCF National Bank  
111 West San Marnan Dr., Suite A2 West  
Waterloo, IA 50701

Schedule B to the Plan is also corrected to add the following lessor and executory contract to the list of assumed contracts:

Wells Fargo Vendor Fin. Svs. – Bky Admin f/k/a GE Capital, Info.  
Tech Solutions  
c/o A Ricoh USA Program fka Ikon  
P.O. Box 13708  
Macon, GA 31208-3708

21. Notices relating to the Plan and its confirmation were served upon both of the above parties as reflected in Docket nos. 158, 164 and 180. The Notice regarding the Confirmation Hearing, the assumption of Executory Contracts, and the determination of Cure Amounts (Docket no. 150) was also served on both such parties on December 16, 2021. No response or objection was filed by either of such parties.

22. Compromise and Settlement. In consideration for the classification, potential Distributions and other benefits provided pursuant to the Plan, the provisions of the Plan constitute a good faith compromise of all Treated Claims and controversies resolved pursuant to the Plan. This Court hereby approves each of the foregoing compromises and settlements, and all other compromises and settlements provided for in the Plan, and all such compromises and settlements are and shall be upon entry of this Order and the occurrence of the Effective Date valid and legally binding and enforceable as between the respective parties thereto.

23. **Discharge.** On the Effective Date, the Debtor and its Assets are forever discharged and released from all Treated Claims to the fullest extent permitted under section 944 of the Bankruptcy Code. Except as otherwise set forth in the Plan or this Order, the terms, covenants and consideration under the Plan are in exchange for and in complete satisfaction, discharge, and release of all Claims resolved pursuant to the Plan of any nature whatsoever against the Debtor or the Assets. Except as set forth in the Plan or this Order, and as provided in section 524(a)(1) of the Bankruptcy Code, made applicable to this Case pursuant to section 901(a) of the Bankruptcy Code, this discharge voids any judgment against the Debtor at any time obtained to the extent that it relates to a discharged Claim. Pursuant to section 944(a) of the Bankruptcy Code, this discharge is binding on all Creditors, whether or not such Creditor filed a proof of claim, or was deemed to have filed a proof of claim, whether such Claim has been Allowed, or whether such Creditor accepted the Plan. **Notwithstanding the foregoing, this discharge shall not apply to any Untreated Claim. The occurrence of the Effective Date shall not operate to discharge any Untreated Claim. The rights of a holder of an Untreated Claim, as well as all rights and defenses by the Debtor, with respect to such Untreated Claim, shall not be affected, impaired, or prejudiced in any manner by the Plan, the confirmation of the Plan, this Order, or the occurrence of the Effective Date.**

24. **Plan Injunction.** Pursuant to section 11.04 of the Plan, on the Effective Date and **except** as otherwise provided in the Plan, all Persons who have been, are, or may be holders of Treated Claims against the Debtor provided for in the Plan shall be permanently restrained and enjoined from (a) taking any of the following actions against or affecting the Debtor or the Assets with respect to such Claims (other than actions brought to enforce any rights or obligations under the Plan), or (b) taking any of the following actions against the individuals included in the Officers and Directors or Spiller

with respect to such Claims or other or further claims or causes of action arising out of or relating to the Hospital Outreach Program (other than actions brought to enforce any rights or obligations under the Plan or Plan Documents): (i) commencing, conducting, or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind with respect to (A) any such Claim or (B) such other or further claims or causes of action arising out of or relating to the Hospital Outreach Program; (ii) enforcing, levying, attaching, collecting, or otherwise recovering by any manner or means, whether directly or indirectly, any judgment, award, decree, or order; (iii) creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any Lien or encumbrance of any kind; (iv) asserting any control over, interest, rights or title in or to any of the Assets except as expressly provided in the Plan; (v) asserting any setoff, right of subrogation or recoupment of any kind against any obligation due the Debtor, except upon order of this Court; and (vi) performing any act, by any manner or means, whether directly or indirectly, in any place whatsoever, that does not conform to or comply with the provisions of the Plan; provided, however, that this injunction shall not bar any Creditor from asserting any right granted pursuant to the Plan or any Plan Documents; provided, further, however, that each holder of a Contested Claim shall be entitled to enforce its rights under the Plan, including seeking allowance of such Contested Claim pursuant to the Plan. Notwithstanding the foregoing, the Plan Injunction shall not apply with respect to any Untreated Claim. The occurrence of the Effective Date shall not operate to enjoin or restrain a holder of an Untreated Claim from taking any action or exercising any of its rights with respect to such Untreated Claim.

25. Statutory Injunction. Except as set forth in the Plan or this Order, upon the Effective Date all Persons shall be forever precluded and enjoined, pursuant to section 524(a)(2) of the Bankruptcy Code, made applicable to this Case by section 901(a) of the

**Bankruptcy Code, from prosecuting or asserting any discharged Claim against the Debtor and its Assets, in any manner inconsistent with the Plan. The statutory injunction pursuant to section 524(a)(2) of the Bankruptcy Code (the “Statutory Injunction”) is hereby incorporated into this Order. All holders of discharged Claims shall be enjoined and restrained, jointly, severally and jointly and severally, in accordance with and pursuant to the Statutory Injunction without further order of the Court immediately upon the Statutory Injunction becoming effective.**

26. Setoffs. Except as otherwise expressly provided for in the Plan, pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable nonbankruptcy law, or as may be agreed to by the holder of a Claim, the Debtor may set off against any Allowed Claim and the Distributions to be made pursuant to the Plan on account of such Allowed Claim (before such Distribution is made), any claims, rights, Debtor Claims and Debtor Defenses of any nature that the Debtor may hold against the holder of such Allowed Claim, to the extent such claims, rights, Debtor Claims and Debtor Defenses against such holder have not been otherwise compromised or settled on or prior to the Effective Date (whether pursuant to the Plan or otherwise); provided, however, that neither the failure to effect such a setoff nor the allowance of any Claim pursuant to the Plan shall constitute a waiver or release by the Debtor of any such claims, rights, Debtor Claims and Debtor Defenses that the Debtor may possess against such Claimant. In no event shall any Claimant be entitled to set off any Claim against any claim, right, or Debtor Claim of the Debtor without the consent of the Debtor unless such holder files a motion with the Court requesting the authority to perform such setoff notwithstanding any indication in any proof of Claim or otherwise that such holder asserts, has, or intends to preserve any right of setoff pursuant to section 553 of the Bankruptcy Code or otherwise. Notwithstanding the foregoing or anything to the contrary herein, this paragraph of this Order shall not apply to the Payors in respect of any of the Payor Agreements.

27. Recoupment. All rights by the Debtor to recoupment are hereby specifically preserved. Except as otherwise expressly provided for in the Plan, in no event shall any holder of a Claim be entitled to recoup any Claim against any claim, right, account receivable, or Debtor Claim of the Debtor unless (a) such holder actually provides notice thereof in writing to the Debtor of its intent to perform a recoupment; (b) such notice includes the amount to be recouped by the holder of the Claim and a specific description of the basis for the recoupment, and (c) the Debtor has provided a written response to such Claimant, stating unequivocally that the Debtor consents to the requested recoupment. The Debtor shall have the right, but not the obligation, to seek an order of the Court allowing any or all of the proposed recoupment. In the absence of a written response from the Debtor consenting to a recoupment or an order of the Court authorizing a recoupment, no recoupment by the holder of a Claim shall be allowed. Notwithstanding the foregoing or anything to the contrary herein, this paragraph of this Order shall not apply to the Payors in respect of any of the Payor Agreements.

28. No Effect on Untreated Claims. The Plan only affects the rights of the Debtor and Creditors holding Treated Claims that are provided for in the Plan. The rights of the holders of Untreated Claims, including but not limited to any Lien rights or rights of setoff or recoupment, are not affected or altered in any manner by the Plan or this Order. Each Untreated Claim constitutes a debt that is excepted from discharge by the Plan and this Order pursuant to section 944(c)(1) of the Bankruptcy Code. The Plan Injunction and the Statutory Injunction shall not apply to any act taken with respect to an Untreated Claim.

29. Automatic Stay and Injunctions. The automatic stay pursuant to sections 362 and 922 of the Bankruptcy Code, except as previously modified by order of the Court, shall remain in effect as to the Debtor and the Assets until the occurrence of the Effective Date when it shall be replaced by the Plan Injunction. All injunctions or stays contained in the Plan or this Order shall remain in full force and effect in accordance with their terms.

30. Patient Care Ombudsman. On the Effective Date of the Plan, the Patient Care Ombudsman appointed in this Case by the United States Trustee pursuant to section 333 of the Bankruptcy Code and as directed by this Court's *Order Directing Appointment of a Patient Care Ombudsman Under 11 U.S.C. § 333* [Docket No. 29] entered on July 16, 2020 shall be released and fully discharged of her duties in this Case.

31. Retention of Jurisdiction. The Court may properly, and upon the Effective Date shall, to the full extent set forth in the Plan, retain jurisdiction over all matters arising in, arising under, and related to, this Chapter 9 Case, including the matters set forth in Article XII of the Plan and section 1142(b) of the Bankruptcy Code.

32. Binding Effect. The Court has exclusive *in rem* jurisdiction over the Debtor and its property. Based on this exclusive *in rem* jurisdiction over the Debtor and its property: (a) the Plan, this Order and the Plan Documents are binding upon the Debtor and all Creditors who are holders of Treated Claims, and (b) no other or further consent or authorization, other than this Order, is necessary to authorize or permit the Debtor, its officers, directors, and representatives, to proceed with the consummation and performance of the terms of the Plan and this Order, including the execution and delivery of all Plan Documents. The provisions of the Plan and this Order shall be binding upon the Debtor, the Plan Trust Administrator, all holders of Treated Claims, any other party in interest or Person making an appearance in this Chapter 9 Case, as well as their respective heirs, successors, assigns, affiliates, agents, representatives and similar officers or any Person claiming by, through or in the right of any such Person.

33. Release of Liens. Except as otherwise provided in the Plan, this Order, or in any contract, instrument, or other agreement or document entered into or delivered in connection with the Plan, on the Effective Date all Liens against any of the Assets are hereby deemed to be released, terminated and nullified without the necessity of further order of this Court; provided,

however, this paragraph does not apply to or in any manner affect the Liens securing all or any portion of either the Regions Claim or the SOTB Claims.

34. Notice of Confirmation. Unless any Retained Action against a Person is expressly waived, relinquished, exculpated, released, compromised or settled in this Plan or a Final Order, the Debtor expressly reserves all such Retained Actions for later adjudication or assignment to the Plan Trust Administrator. The Plan Trust Outreach Claims shall also include all Claims and causes of action against any Person (including any of the Outreach Defendants), other than any Excluded Person as defined below, alleged to be a successor to, a subsequent transferee of, or a co-conspirator with any of the Outreach Defendants in connection with the Hospital Outreach Program.

For clarity and to avoid any doubt, the Plan Trust Outreach Claims do not include: (A) any Claim, cause of action, right or remedy against any Excluded Person, including any such Claim, cause of action, right or remedy to pierce or disregard the corporate veil to hold any Excluded Person liable for any Plan Trust Outreach Claim, or against any Excluded Person as an alleged conspirator with any other Person, or (B) any Claim, cause of action, right or remedy by, between or against the Debtor, BCBS and any Payor, or (C) any Claim, cause of action, right or remedy against the Debtor.

**All Plan Trust Outreach Claims are hereby specifically retained by the Debtor and shall be assigned to the Plan Trust Administrator on the Effective Date. The remaining Outreach Claims of the Debtor which do not qualify as Plan Trust Outreach Claims are retained by the Debtor subject to the remaining terms of this Plan.**

(d) Except as may be released under the express terms of this Plan, the Debtor shall retain and reserve all Claims, causes of action, defenses, rights or remedies against any

Excluded Person, in all capacities, including without limitation all Outreach Claims against any Excluded Person, and no Claim, cause of action, defense, right or remedy against or in relation to any Excluded Person shall be transferred by Debtor to the Plan Trust Administrator.

(e) The “Excluded Persons” are comprised of the Persons reflected in the attached **Exhibit “C”** to this Plan.

(f) On the Effective Date, the Plan Trust shall be created pursuant to the Plan Trust Agreement. The Plan Trust shall not terminate upon the death or incapacity of the Plan Trust Administrator and shall continue until its termination in accordance with the terms of this Plan and the Plan Trust Agreement. The Plan Trust Agreement shall, *inter alia*, (i) provide for the creation of the Advisory Board which shall oversee the actions of the Plan Trust Administrator and possess the ability to remove the Plan Trust Administrator, (ii) provide authorization for the Plan Trust to obtain financing in whatever form (including, but not limited to, financing to facilitate the investigation and/or prosecution of the Plan Trust Outreach Claims) and (iii) authorize the Plan Trust Administrator to retain, compensate and reimburse professionals without the necessity of further order of the Bankruptcy Court. The Plan Trust Administrator’s duties and compensation, to the extent not set forth in this Plan, shall be as set forth in the Plan Trust Agreement. From the Effective Date, the Plan Trust Administrator shall have the exclusive standing and authority to prosecute, settle or compromise all Plan Trust Outreach Claims transferred to the Plan Trust for the benefit of the Trust Beneficiaries pursuant to the Plan Trust Agreement; provided, however, the Plan Trust Administrator shall never have any right, standing or power to assert any Claim (including without limitation any Plan Trust Outreach Claim) against any Excluded Person. The Plan Trust Administrator may settle or compromise any Plan Trust Outreach Claim so transferred to the Plan Trust without notice to any Person, except such as may be required in the Plan Trust Agreement, and Bankruptcy Rule 9019 shall not apply to any such compromise or settlement by the Plan Trust Administrator.

(g) The Plan Trust Administrator shall have the exclusive standing to object to the Allowance of any Class 4 Claims.

(h) As set forth more fully in the Plan Trust Agreement, the Advisory Board shall have the authority to direct the actions of the Plan Trust Administrator consistent with the Plan Trust Administrator’s duties and powers under the Plan Trust Agreement. The Plan Trust Administrator shall be held to a traditional fiduciary standard, subject to the oversight of the Advisory Board.

(i) The Plan Trust Administrator may resign as provided in the Plan Trust Agreement, and may be replaced in the manner and on the terms as set forth therein. If the Plan Trust Administrator dies or becomes incapacitated or otherwise unable to serve, a substitute Plan Trust Administrator may be appointed in the manner set forth in the Plan Trust Agreement.

(j) Debtor shall reasonably co-operate with the Plan Trust Administrator in the performance of the Plan Trust Administrator’s duties pursuant to this Plan or the Plan Trust; provided, however, that the Debtor shall not be required to directly incur additional out-of-pocket expenses in order to perform its duties to co-operate with the Plan Trust Administrator. The Debtor’s reasonable cooperation shall include granting the Plan Trust Administrator or such Person’s representatives reasonable access to, at reasonable times in reasonable manners, all without the necessity of a subpoena, the Debtor’s books and records and to the Debtor’s management, directors, and employees. However, the Debtor may reasonably condition any

such access to Debtor's books and records, or information obtained from its management, directors, and employees, on the execution of appropriate confidentiality agreements by the Plan Trust Administrator and such Person's agents and representatives. The Debtor, within fourteen (14) days after the Effective Date, shall provide to the Plan Trust Administrator all documents remaining in the Debtor's possession which had been previously produced by the Debtor in connection with the prepetition arbitration proceeding between the Debtor and BCBS, although subject to the terms of any confidentiality order or agreement relating to any of such documents. In the event of any dispute relating to this subsection, either the Debtor or the Plan Trust Administrator may seek appropriate relief from the Bankruptcy Court. Any communication or disclosure between the Debtor and the Plan Trust Administrator (including the Advisory Board) or their respective professionals shall not constitute a waiver of the attorney-client privilege, work product protection, or any other applicable privilege.

6.13 No admission. Nothing in this Plan, the Disclosure Statement or any Plan Document shall act as an admission by the Debtor as to any wrongdoing by the Debtor or anyone affiliated with the Debtor in connection with the Hospital Outreach Program. Furthermore, the Debtor asserts that it used third-party laboratories at the beginning of the Hospital Outreach Program on a temporary basis only while the Debtor was in the process of expanding its on-site laboratory. The assertions contained in the preceding sentence: (a) state the Debtor's position; (b) do not state the position of BCBS and/or any of the Payors; (c) are disagreed with by one or more of BCBS and the Payors; and (d) do not constitute statements that shall be binding on any Creditor or other party in interest if this Plan is confirmed.

6.14 Indemnity Rights of the Management Group. Nothing contained in this Plan shall impair, modify or impact any right to indemnity or contribution which any member of the Management Group may have or assert against the Debtor, including any such right pursuant to any contractual covenant of indemnity by the Debtor in favor of any member of the Management Group.

6.15 Post-Effective Date Additions to the Management Group. From and after the Effective Date, if the Debtor identifies a Person not listed on **Exhibit "A"** to this Plan who the Debtor believes should be included as a member of the Management Group, but was omitted by mistake or inadvertence, the Debtor shall give written notice to the Plan Trust Administrator identifying such Person and stating the basis for inclusion of such Person in the Management Group. After such notice is given by the Debtor in accordance with the Plan, the Plan Trust Administrator shall have twenty-one (21) days to serve a written response to such notice on the Debtor in accordance with this Plan. If the Plan Trust Administrator does not serve any response to such notice within the time permitted by this section, or the Plan Trust Administrator serves a timely written response consenting to the inclusion of such Person in the Management Group, then the Person identified in the notice shall be automatically deemed a member of the Management Group for purposes of the Plan, without the need for any further action by the Debtor or further order of the Bankruptcy Court. In the event that the Plan Trust Administrator serves a timely response to such a notice objecting to the inclusion of a Person in the Management Group, such Person shall only be deemed a member of the Management Group if: (a) the Debtor receives a subsequent writing executed by the Plan Trust Administrator in which the Plan Trust Administrator consents to the inclusion of the Person as a member of the Management Group, or (b) a Final Order is entered deeming such Person as a member of the Management Group. In the event of an objection by the Plan Trust Administrator to the post-Effective Date inclusion of a Person in the Management Group, either the Debtor or the Plan Trust Administrator may seek appropriate relief from the Bankruptcy Court, including but not

limited to a determination as to the eligibility of the Person for inclusion in the Management Group.

6.16 U.S. Trustee Fees. Nothing in this Plan may be construed to require the Debtor, either before or after the Effective Date, to file any monthly or quarterly operating reports or pay any fees to the U.S. Trustee. The U.S. Trustee shall not be entitled to the payment of any fees or expenses of any kind from the Debtor in connection with this Case, either before or after the Effective Date.

## **ARTICLE VII**

### **PROVISIONS GOVERNING DISTRIBUTION**

7.01 Source of Distributions. All Distributions under this Plan, other than Trust Distributions, shall be made by the Debtor. Trust Distributions shall be made by the Plan Trust Administrator in the manner set forth in the Plan Trust Agreement. The remaining provisions of this Article VII shall not apply to Trust Distributions.

7.02 Timing and Amount of Distributions. No Distribution shall be made on account of any Claim until such Claim is Allowed, except as otherwise set forth in the Plan or ordered by the Bankruptcy Court pursuant to a Final Order. No Distribution shall be made on account of any Contested Claim until such Claim is Allowed. Any Distributions pursuant to the Plan shall be made on the respective Initial Distribution Dates applicable to each such Allowed Claim except as otherwise provided in the Plan or ordered by the Bankruptcy Court. Any Unclaimed Property may be paid into the registry of the Bankruptcy Court or otherwise distributed in accordance with the orders of the Bankruptcy Court. Except as expressly set forth in the Plan or in the Confirmation Order, the Debtor shall determine the timing and amount of all Distributions which are required to be made under the Plan, consistent with the goal of making such Distributions as expeditiously as possible. The Debtor may, but shall not be required to, seek approval of the Bankruptcy Court for any such Distributions.

7.03 Proofs of Claim by Holders of Untreated Claims. Proofs of claim filed by holders of Untreated Claims shall have no effect and shall not entitle the Person filing such proof of claim to any Distribution pursuant to this Plan. The Debtor need not object to or take any action with regard to any such proof of claim which, as of the Effective Date, shall be deemed as automatically expunged and deleted from the Claims Register. However, by filing a proof of claim, the holder of any Untreated Claim does not waive or release any rights and the Debtor shall retain all rights and defenses as to any such Untreated Claim.

7.04 Means of Cash Payment. All payments to be made from time to time under this Plan shall be made by check drawn on, or by wire transfer from, a domestic bank, or by other means agreed to by the payor and payee.

7.05 Record Date for Distributions. As of the close of business on the Effective Date, (the "Distribution Record Date"), the register for Claims will be closed, and there shall be no further changes in the holder of record of any Claim. The Debtor shall have no obligation to recognize any transfer of any Claim occurring after the Distribution Record Date, and shall instead be authorized and entitled to recognize and deal for all purposes under the Plan with only those holders of record stated on the register of Claims as of the Distribution Record Date for Distributions under the Plan.

7.06 Delivery of Distributions. All Distributions, deliveries and payments to the holders of any Allowed Claims shall be made to the addresses set forth on the respective proofs of Claim filed in this Case. Any such Distribution, delivery or payment shall be deemed as made for all purposes relating to this Plan when deposited in the United States Mail and served as provided in section 13.05 below. Whether secured or unsecured, if no proof of claim is filed, any Distribution shall be made to the Creditor at the last known address or as reflected in the Creditor List. If any Distribution is returned as undeliverable, no further Distribution shall be made on account of such Allowed Claim unless and until the Debtor is notified of such holder's then current address, at which time all missed Distributions shall be made to the holder of such Allowed Claim. All claims for undeliverable Distributions shall be made on or before the first anniversary of the attempted Distribution. After such date, all Unclaimed Property shall revert to the Debtor and the Claim of any holder with respect to such property shall be discharged and forever barred.

7.07 Time Bar to Cash Payments. Checks issued in respect of Allowed Claims shall be null and void if not cashed within ninety (90) days of the date of issuance thereof. Requests for reissuance of any check shall be made directly to the Debtor by the holder of the Allowed Claim with respect to which such check originally was issued. Any claim in respect of such a voided check shall be made on or before the later of the first anniversary of the Initial Distribution Date or ninety (90) days after the date of issuance of such check. After such date, all claims in respect of void checks shall be discharged and forever barred.

7.08 Cure Period. Except as otherwise set forth herein, the failure by the Debtor to timely perform any term, provision or covenant contained in this Plan, or to make any payment or Distribution required by this Plan to any Creditor, or the failure to make any payment or perform any covenant as to any holder of an Allowed Class 4 Claim, shall not constitute an Event of Default unless and until the Debtor has been given twenty-one (21) days written notice of such alleged default in the manner provided in this Plan, and provided an opportunity to cure such alleged default. Until the expiration of such twenty-one (21) day cure period, the Debtor shall not be in default, and performance during such twenty-one (21) day cure period shall be deemed as timely for all purposes. Such written notice and passage of the twenty-one (21) day cure period shall constitute conditions precedent to declaring or claiming any default under this Plan or bringing any action or legal proceeding by any Person to enforce any right granted under this Plan.

7.09 Distributions after Substantial Consummation. Upon the Effective Date, the Debtor may proceed with Substantial Consummation of this Plan unless the Confirmation Order is stayed by order of a court of competent jurisdiction. All Distributions of any kind made to any of the Creditors after Substantial Consummation and any and all other actions taken under this Plan after Substantial Consummation shall not be subject to relief, reversal or modification by any court unless the implementation of the Confirmation Order is stayed by an order granted under Bankruptcy Rule 8005.

## **ARTICLE VIII**

### **PROCEDURES FOR RESOLVING AND TREATING CONTESTED AND CONTINGENT CLAIMS**

8.01 Objection Deadline. All Objections to Claims shall be served and filed by the Objection Deadline; provided, however, the Objection Deadline shall not apply to Claims which are not reflected in the claims register, including any alleged informal proofs of Claim. Either the

Debtor or the Plan Trust Administrator may seek to extend the Objection Deadline pursuant to a motion filed on or before the then applicable Objection Deadline with respect to any Claims. Any such motion may be granted without notice or a hearing. In the event that the Debtor or Plan Trust Administrator files such a motion and the Bankruptcy Court denies such motion, the Objection Deadline shall nevertheless be automatically extended to that date which is ten (10) Business Days after the date of entry of the Bankruptcy Court's order denying such motion. Any proof of claim filed more than thirty (30) days after the Effective Date shall be of no force and effect and need not be objected to by either the Debtor or the Plan Trust Administrator. Nothing contained herein shall limit the right of the Debtor or the Plan Trust Administrator to object to Claims, if any, filed or amended after the Objection Deadline.

8.02 Contested Class 4 Claims. Sections 8.03 through 8.06 below shall not apply to holders of Class 4 Claims which Claims shall be administered as set forth in the Plan Trust Agreement.

8.03 Responsibility for Objecting to Claims and Settlement of Claims.

(a) From and after the Effective Date, the Debtor shall have the sole and exclusive right to (i) file, settle, or litigate to Final Order any Objections to any Claims; and (ii) seek to subordinate any Claim. Any Contested Claim may be litigated to Final Order.

(b) From and after the Effective Date, the Debtor shall have the sole and exclusive right to settle, compromise or otherwise resolve any Contested Claim without the necessity of any further notice or approval of the Bankruptcy Court. Bankruptcy Rule 9019 shall not apply to any settlement or compromise of a Contested Claim after the Effective Date and the Debtor may negotiate and effectuate any such settlement or compromise without the necessity of further notice or approval by the Bankruptcy Court.

8.04 Distributions on Account of Contested Claims. If a Claim is Contested, then the Initial Distribution Date as to such Contested Claim shall be determined based upon its date of Allowance, and thereafter distribution shall be made on account of such Allowed Claim pursuant to the provisions of the Plan. No Distribution shall be made on account of a Contested Claim until Allowed. Until such time as a contingent Claim becomes fixed and absolute by a Final Order allowing such Claim, such Claim shall be treated as a Contested Claim for purposes of estimates, allocations, and Distributions under the Plan. Any contingent right to contribution or reimbursement shall continue to be subject to section 502(e) of the Bankruptcy Code.

8.05 No Waiver of Right to Object. Except as expressly provided in this Plan, nothing contained in the Disclosure Statement, this Plan or the Confirmation Order shall waive, relinquish, release or impair the Debtor's right to object to any Claim.

8.06 Offsets and Defenses. Except as expressly provided in this Plan, the Debtor shall retain all Debtor Claims and Debtor Defenses, including without limitation all rights of offset or recoupment and all counterclaims against any Claimant holding a Claim. Assertion of counterclaims by the Debtor against any Claimants shall constitute "core" proceedings.

8.07 Claims Paid or Reduced Prior to Effective Date. Notwithstanding the contents of the Creditor List, Claims listed therein as undisputed, liquidated and not contingent shall be reduced by the amount, if any, that was paid by the Debtor prior to the Effective Date, including pursuant to orders of the Bankruptcy Court. To the extent such payments are not reflected in the Creditor List, such Creditor List will be deemed amended and reduced to reflect that such

payments were made. Nothing in the Plan shall preclude the Debtor from paying Claims that the Debtor was authorized to pay pursuant to any Final Order entered by the Bankruptcy Court prior to the Confirmation Date.

## ARTICLE IX

### EXECUTORY CONTRACTS AND UNEXPIRED LEASES

9.01 Assumption and Rejection of Executory Contracts. All Executory Contracts of the Debtor shall be deemed as assumed by the Debtor upon the Effective Date unless an Executory Contract (a) has been previously assumed or rejected pursuant to an order of the Bankruptcy Court, (b) is otherwise identified in this Plan or the Confirmation Order to be rejected or ride through this Case, or (c) is the subject of a motion to reject filed on or before the Effective Date. The Executory Contracts reflected in the attached **Exhibit "B"** are all to be assumed. Any Executory Contract so assumed shall be deemed as assumed as of the Effective Date. Likewise, any Executory Contract rejected shall be deemed as rejected as of the Effective Date. Any Executory Contract to be assumed under this Plan that has been amended or modified at any time after the Petition Date shall be deemed assumed as amended or modified. This Plan shall constitute a motion to assume all Executory Contracts which the Debtor seeks to assume. However, the Debtor may file a separate motion for the assumption or rejection of any Executory Contract at any time through the Effective Date.

9.02 BCBS Contracts and BCBS Cure Amount Claims. Any Executory Contract with BCBS other than the Clinic Contract shall be deemed as rejected. The Clinic Contract shall be assumed. The Plan shall be deemed as a motion to reject any such Executory Contract with BCBS other than the Clinic Contract. Any Claim for a Cure Amount asserted by BCBS shall be limited to amounts allegedly due under the Clinic Contract as a result of alleged defaults under the terms of the Clinic Contract itself. No Claim by BCBS for a Cure Amount in connection with the Debtor's assumption of the Clinic Contract shall be Allowed to the extent such Claim is for amounts allegedly owed by the Debtor to BCBS for any reason other than a default under the terms of the Clinic Contract itself. BCBS shall not be entitled to assert any setoff rights as a Claim for a Cure Amount in connection with the Debtor's assumption of the Clinic Contract. For the avoidance of doubt, no Claims asserted by BCBS against the Debtor based on the conduct of the Hospital Outreach Program or based on amounts allegedly owed by the Debtor to BCBS under any past or present contract, other than the Clinic Contract, including without limitation any Class 4 Claim asserted by BCBS, shall be allowable as a Cure Amount in connection with the Debtor's assumption of the Clinic Contract.

9.03 Cure Amount Payments. Except as provided in Section 9.04 below in relation to the Payor Agreements, unless the holder of a Claim for a Cure Amount and the Debtor agree in writing to other treatment of such holder's Cure Amount, or other treatment of such holder's Cure Amount is otherwise provided for under the Plan, each Cure Amount shall be determined and treated as follows:

(a) Any Cure Amount shall be deemed to constitute a full and final satisfaction of all defaults, including any arrearages, relating to any Executory Contract as of the Effective Date. As of the Effective Date, the Debtor shall be relieved and discharged from any liability arising on or before the Effective Date under any of the Assumed Executory Contracts other than the obligation to satisfy the Cure Amount.

(b) The payment of any Cure Amount shall be made by the Debtor as soon

as reasonably practicable after the Effective Date. Any dispute relating to any Cure Amount, the cure of any other defaults, the provision of adequate assurance of future performance, or any other matter pertaining to assumption of any Executory Contract, shall be resolved through the entry of a Final Order by the Bankruptcy Court resolving any such dispute as a core proceeding.

9.04 Payor Agreement Treatment. The Payor Agreements shall be assumed by the Debtor as of the Effective Date. However, any other term of this Plan notwithstanding, this section shall govern the assumption of the Payor Agreements and the determination and treatment of all Cure Amounts in relation to each of the Payor Agreements.

(a) The Debtor hereby releases: (i) each of the Payors and their respective officers, directors, employees, agents, representatives and legal counsel from all Outreach Claims, regardless of when the acts, transactions or circumstances which form the basis of any such Outreach Claim occurred; and (ii) Aetna, Cigna, United and their respective officers, directors, employees, agents, representatives and legal counsel from any claim, cause of action, right, defense or remedy (including all rights of offset and recoupment) of Debtor which arises out of, or is based upon, any acts, transactions, circumstances, or services which occurred, transpired or were provided before February 1, 2019; provided, however, the Debtor retains the Plan Trust Outreach Claims for the sole purpose of transferring them to the Plan Trust Administrator.

(b) The treatment of the Payors' Impaired Unsecured Claims set forth in this Plan and the other terms, conditions, rights and remedies provided in this Plan shall constitute full and final satisfaction of the following, including any Cure Amount in relation to any Payor Agreement included in any of the following: (i) all Payor Outreach Claims, regardless of when the transactions which form the basis of the Payor Outreach Claims occurred; and (ii) all of Aetna's, Cigna's and United's Claims, causes of action, rights, defenses, or remedies (including all rights of offset and recoupment) against the Debtor which arise out of, or are based upon, any acts, circumstances, transactions, or services which occurred, transpired or were furnished before February 1, 2019.

(c) By virtue of the above subsections (a) and (b) above: (i) the Debtor and each of Aetna, Cigna and United shall retain their respective Claims, causes of action, rights, defenses and remedies pursuant to the applicable Payor Agreements as to all transactions, occurrences, acts, omissions or services which occurred, transpired or were provided on or after February 1, 2019, and which do not constitute Outreach Claims or Payor Outreach Claims (collectively the "Retained Payor Contract Claims"); and (ii) the Debtor and Humana shall retain their respective Claims, causes of action, rights, defenses and remedies pursuant to the applicable Payor Agreements as to all transactions, occurrences, acts, omissions or services which do not constitute Outreach Claims or Payor Outreach Claims (collectively the "Retained Humana Contract Claims").

(d) None of the Payors shall retain any Payor Outreach Claims against the Debtor, and none of the Payors shall assert any Payor Outreach Claims as a defense to or counterclaim against, including as an offset or right of recoupment against, any Retained Payor Contract Claim of the Debtor or Retained Humana Contract Claim of the Debtor.

(e) Any Cure Amount which relates to or arises out of the Retained Payor Contract Claims or the Retained Humana Contract Claims shall be determined and administered as between the Debtor and the applicable Payor in the ordinary course of business in accordance with the terms of the applicable Payor Agreement and other non-

bankruptcy law. The Payors shall have no obligation to file any Claim or request for payment of administrative expense to be entitled to payment of Retained Payor Contract Claims or Retained Humana Contract Claims.

9.05 Bar to Rejection Claims. Except as otherwise ordered by the Bankruptcy Court, any Rejection Claim based on the rejection of an Executory Contract shall be forever barred and shall not be enforceable against the Debtor or the Assets unless a proof of claim is filed with the Bankruptcy Court and served upon the Debtor and its counsel by the earlier of thirty (30) days after the Effective Date or thirty (30) days after entry of the Final Order approving rejection of such Executory Contract.

9.06 Rejection Claims. Any Rejection Claim not barred by section 9.05 above shall be classified as a Class 4 Impaired Unsecured Claim subject to the provisions of sections 502(b)(6) and 502(g) of the Bankruptcy Code; provided, however, that any Rejection Claim based upon the rejection of an unexpired lease of real property, either prior to the Confirmation Date, upon the entry of the Confirmation Order, or upon the Effective Date, shall be limited in accordance with section 502(b)(6) of the Bankruptcy Code and state law mitigation requirements. All Rejection Claims shall be deemed as Contested Claims until Allowed. Nothing contained herein shall be deemed as an admission by the Debtor that such rejection gives rise to or results in a Claim or shall be deemed a waiver by the Debtor of any objections to such Claim if asserted.

9.07 Reservation of Rights. Nothing contained in the Plan shall constitute an admission by the Debtor that any contract or lease is in fact an Executory Contract or that the Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtor shall have thirty (30) days following entry of a Final Order resolving such dispute to alter the treatment of such contract or lease.

9.08 Ride-through of Executory Contracts. In accordance with the authority of *Stumpf v. McGee*, 258 F.3d 392, 404-405 (5<sup>th</sup> Cir. 2001), *ASCARO, LLC v. Mont. Res. Inc.*, 858 F.3d 949, 959 (5<sup>th</sup> Cir. 2017), and *In re Hardeman County Hosp. Dist.*, 540 B.R. 229, 247 (Bankr N.D. Tex. 2015), the Debtor reserves the right to designate any Executory Contract at any time through the Effective Date as one which will ride through this Case and shall be neither assumed nor rejected by the Debtor. If the counterparty to an Executory Contract has not received appropriate notice of this Case, such Executory Contract shall ride through this Case and shall neither be assumed nor rejected.

## **ARTICLE X**

### **CONDITIONS PRECEDENT TO CONFIRMATION AND EFFECTIVENESS OF PLAN**

10.01 Conditions to Confirmation and Effectiveness of Plan. The Plan shall not become effective until the following conditions shall have been satisfied: (a) the Confirmation Order shall have been entered, in form and substance acceptable to the Debtor; (b) the Plan Trust Agreement shall be executed or the form thereof otherwise approved in writing by each of the Debtor, BCBS and the Payors; and (c) all other conditions specified by the Debtor have been satisfied.

## **ARTICLE XI**

### **EFFECT OF THE PLAN ON CLAIMS**

11.01 **Compromise and Settlement.** In consideration of the classification, potential Distributions and other benefits provided under the Plan, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims and controversies resolved pursuant to the Plan. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of each of the foregoing compromises or settlements, and all other compromises and settlements provided for in the Plan, and the Bankruptcy Court's findings shall constitute its determination that such compromises and settlements are in the best interest of the Debtor, Creditors and other parties in interest, and are fair, equitable and within the range of reasonableness.

11.02 **Satisfaction of Claims.** The rights afforded in the Plan and the treatment of all Treated Claims herein shall be in exchange for and in complete satisfaction, discharge, and release of all Treated Claims resolved pursuant to the Plan of any nature whatsoever against the Debtor and the Assets. Except as otherwise provided herein, on the Effective Date, all Treated Claims against the Debtor resolved pursuant to the Plan shall be satisfied, discharged, and released in full. Except as otherwise provided herein, all Persons who hold a Treated Claim that is resolved pursuant to the Plan shall be precluded and forever barred from asserting (i) against the Debtor or the Assets any event, occurrence, condition, thing, or other or further Claims or causes of action based upon any act, omission, transaction, or other activity of any kind or nature; or (ii) against the individuals included in the Officers and Directors or Spiller, any event, occurrence, condition, thing, or other or further Claims or causes of action arising out of or relating to the Hospital Outreach Program, in either case that occurred or came into existence prior to the Effective Date, whether or not the facts of or legal bases therefore were known or existed prior to the Effective Date.

11.03 **Discharge.** On the Effective Date, the Debtor and its Assets are forever discharged and released from all debts to the fullest extent permitted under section 944 of the Bankruptcy Code. Except as otherwise set forth in this Plan or the Confirmation Order, the terms, covenants and consideration under the Plan shall be in exchange for and in complete satisfaction, discharge, and release of all Claims resolved pursuant to the Plan of any nature whatsoever against the Debtor or the Assets. Except as set forth in this Plan or the Confirmation Order, and as provided in sections 524(a)(1) and 524(a)(2) of the Bankruptcy Code, such discharge shall void any judgment against the Debtor at any time obtained to the extent that it relates to a discharged Claim. Upon the Effective Date, all Persons shall be forever precluded and enjoined, pursuant to sections 524(a)(1) and 524(a)(2) of the Bankruptcy Code, from prosecuting or asserting any discharged Claim against the Debtor and its Assets, in any manner inconsistent with this Plan. Pursuant to section 944(a) of the Bankruptcy Code, such discharge is binding on all Creditors, whether or not such Creditor filed a proof of claim, or was deemed to have filed a proof of claim, whether such Claim has been Allowed, or whether such Creditor accepted the Plan. **Notwithstanding the foregoing, this section 11.03 shall not apply to any Untreated Claim. The occurrence of the Effective Date shall not operate to discharge any Untreated Claim. The rights of a holder of an Untreated Claim, as well as all rights and defenses by the Debtor, with respect to such Untreated Claim, shall not be affected, impaired, or prejudiced in any manner by this Plan, the confirmation of the Plan, or the occurrence of the Effective Date.**

**11.04 Injunction.** On the Effective Date and except as otherwise provided herein, all Persons who have been, are, or may be holders of Treated Claims against the Debtor provided for in the Plan shall be permanently restrained and enjoined from (i) taking any of the following actions against or affecting the Debtor or the Assets with respect to such Claims (other than actions brought to enforce any rights or obligations under the Plan), or (ii) taking any of the following actions against the individuals included in the Officers and Directors or Spiller with respect to such Claims or other or further claims or causes of action arising out of or relating to the Hospital Outreach Program (other than actions brought to enforce any rights or obligations under the Plan): (a) commencing, conducting, or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind with respect to (1) any such Claim or (2) such other or further claims or causes of action arising out of or relating to the Hospital Outreach Program; (b) enforcing, levying, attaching, collecting, or otherwise recovering by any manner or means, whether directly or indirectly, any judgment, award, decree, or order; (c) creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any Lien or encumbrance of any kind; (d) asserting any control over, interest, rights or title in or to any of the Assets except as expressly provided in the Plan; (e) asserting any setoff, right of subrogation or recoupment of any kind against any obligation due the Debtor, except upon order of the Bankruptcy Court; and (f) performing any act, by any manner or means, whether directly or indirectly, in any place whatsoever, that does not conform to or comply with the provisions of the Plan; provided, however, that this injunction shall not bar any Creditor from asserting any right granted pursuant to this Plan; provided, further, however, that each holder of a Contested Claim shall be entitled to enforce its rights under the Plan, including seeking allowance of such Contested Claim pursuant to the Plan. Notwithstanding the foregoing, this section 11.04 shall not apply with respect to any Untreated Claim. The occurrence of the Effective Date shall not operate to enjoin or restrain a holder of an Untreated Claim from taking any action or exercising any of its rights with respect to such Untreated Claim.

**11.05 Setoffs.** Except as otherwise expressly provided for in the Plan, pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable nonbankruptcy law, or as may be agreed to by the holder of a Claim, the Debtor may setoff against any Allowed Claim and the Distributions to be made pursuant to the Plan on account of such Allowed Claim (before such Distribution is made), any claims, rights, Debtor Claims and Debtor Defenses of any nature that the Debtor may hold against the holder of such Allowed Claim, to the extent such claims, rights, Debtor Claims and Debtor Defenses against such holder have not been otherwise compromised or settled on or prior to the Effective Date (whether pursuant to the Plan or otherwise); provided, however, that neither the failure to effect such a setoff nor the allowance of any Claim pursuant to the Plan shall constitute a waiver or release by the Debtor of any such claims, rights, Debtor Claims and Debtor Defenses that the Debtor may possess against such Claimant. In no event shall any Claimant be entitled to setoff any Claim against any claim, right, or Debtor Claim of the Debtor without the consent of the Debtor unless such holder files a motion with the Bankruptcy Court requesting the authority to perform such setoff notwithstanding any indication in any proof of claim or otherwise that such holder asserts, has, or intends to preserve any right of setoff pursuant to section 553 of the Bankruptcy Code or otherwise. This section shall not apply to the Payors in respect of any of the Payor Agreements.

**11.06 Recoupment.** Except as otherwise expressly provided for in the Plan, in no event shall any holder of a Claim be entitled to recoup any Claim against any claim, right, account receivable, or Debtor Claim of the Debtor unless (a) such holder actually provides notice thereof in writing to the Debtor of its intent to perform a recoupment; (b) such notice includes the

amount to be recouped by the holder of the Claim and a specific description of the basis for the recoupment, and (c) the Debtor has provided a written response to such Claimant, stating unequivocally that the Debtor consents to the requested recoupment. The Debtor shall have the right, but not the obligation, to seek an order of the Bankruptcy Court allowing any or all of the proposed recoupment. In the absence of a written response from the Debtor consenting to a recoupment or an order of the Bankruptcy Court authorizing a recoupment, no recoupment by the holder of a Claim shall be allowed. This section shall not apply to Payors in respect of any of the Payor Agreements.

11.07 No Effect on Claims Not Resolved Under the Plan. It is the Debtor's intent that this Plan only affect the rights of Creditors holding Treated Claims that are provided for in this Plan. The rights of the holders of Untreated Claims, including but not limited to any Lien rights or rights of setoff or recoupment, shall not be affected or altered in any manner by the Plan. Each Untreated Claim shall constitute a debt that is excepted from discharge by this Plan pursuant to section 944(c)(1) of the Bankruptcy Code. The injunction contained in section 11.04 above shall not apply to any act taken with respect to an Untreated Claim.

11.08 Automatic Stay. The automatic stay pursuant to sections 362 and 922 of the Bankruptcy Code, except as previously modified by the Bankruptcy Court, shall remain in effect until the Effective Date of the Plan as to the Debtor and all Assets. As of the Effective Date, the automatic stay shall be replaced by the injunction contained in section 11.04 above.

11.09 Patient Care Ombudsman. On the Effective Date of the Plan, the Patient Care Ombudsman, who was appointed by the United States Trustee [see Docket No. 30], shall be released and fully discharged of her duties in this Case as ordered by the Bankruptcy Court in the *Order Directing Appointment of a Patient Care Ombudsman Under 11 U.S.C. § 333* [Docket No. 29] entered on July 16, 2020.

## **ARTICLE XII**

### **JURISDICTION OF COURTS AND MODIFICATIONS TO THE PLAN**

12.01 Retention of Jurisdiction. Pursuant to sections 105(a) and 945 of the Bankruptcy Code, the Bankruptcy Court shall retain exclusive jurisdiction on a core basis of all matters arising in, arising under, and related to the Debtor's chapter 9 Case and the Plan, for the purposes of section 1142(b) of the Bankruptcy Code, and for, among other things, the following purposes:

- (a) To hear and determine any and all Objections to or applications concerning the allowance of Claims or the allowance, classification, priority, compromise, estimation, or payment of any Administrative Expense;
- (b) To hear and determine pending applications for the rejection, assumption, or assumption and assignment of Executory Contracts and the allowance of Claims resulting therefrom, and to determine the rights of any party in respect to the assumption or rejection of any Executory Contract;
- (c) To determine any Cure Amount (other than any disputes that constitute Retained Payor Contract Claims or Retained Humana Contract Claims between the Debtor and any Payor, which disputes shall not be subject to the jurisdiction of the Bankruptcy Court);

- (d) To hear and determine any and all adversary proceedings, applications, or contested matters, including allowance of any Claim;
- (e) To hear and determine all controversies, disputes, and suits which may arise in connection with the execution, interpretation, implementation, consummation, or enforcement of the Plan or in connection with the enforcement of any remedies made available under the Plan, including without limitation, (i) adjudication of all rights, interests or disputes relating to any of the Assets, (ii) the valuation of all Collateral, (iii) the determination of the validity of any Lien or claimed right of offset; and (iv) determinations of Objections to Contested Claims;
- (f) To hear and determine all controversies in relation to the Plan Trust, including without limitation the Plan Trust Outreach Claims;
- (g) To liquidate and administer any disputed, contingent, or unliquidated Claims, including the Allowance of all Contested Claims;
- (h) To administer Distributions to holders of Allowed Claims as provided herein;
- (i) To enter and implement such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, reversed, revoked, modified, or vacated;
- (j) To consider any modification of the Plan, to cure any defect or omission, or reconcile any inconsistency in any order of the Bankruptcy Court, including, without limitation the Confirmation Order;
- (k) To enforce the injunction contained in section 11.04 above;
- (l) To enter and implement all such orders as may be necessary or appropriate to execute, interpret, construe, implement, consummate, or enforce the terms and conditions of the Plan and the transactions required or contemplated pursuant hereto;
- (m) To hear and determine any other matter not inconsistent with the Bankruptcy Code and title 28 of the United States Code that may arise in connection with or related to the Plan; and
- (n) To enter a final decree closing this chapter 9 Case.

**12.02 Abstention and Other Courts.** If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising out of or relating to this chapter 9 Case, this Article of the Plan shall have no effect upon and shall not control, prohibit or limit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

**12.03 Modifications of the Plan.** The Debtor may amend, alter, or modify the Plan or any Plan Documents (except with respect to the treatment of the Regions Claim) pursuant to section 942 of the Bankruptcy Code at any time prior to the Confirmation Date. Pursuant to section 1127(d) of the Bankruptcy Code, any holder of a Claim that has accepted or rejected the Plan is deemed to have accepted or rejected the Plan, as the case may be, as modified, unless

such holder changes such holder's previous acceptance or rejection within the time allotted for voting on the Plan or any later date set by Final Order of the Bankruptcy Court.

### **ARTICLE XIII**

#### **MISCELLANEOUS PROVISIONS**

13.01 Severability. Should the Bankruptcy Court determine any provision of the Plan is unenforceable either on its face or as applied to any Claim or transaction, the Debtor may modify the Plan so that any such provision shall not be applicable to the holder of any Claim. Such a determination of unenforceability shall not (a) limit or affect the enforceability and operative effect of any other provision of the Plan or (b) require the resolicitation of any acceptance or rejection of the Plan.

13.02 Oral Agreements; Modification of Plan; Oral Representations or Inducements. The terms of the Plan, Disclosure Statement and Confirmation Order may only be amended in writing and may not be changed, contradicted or varied by any oral statement, agreement, warranty or representation. No Person may reasonably rely upon any such oral modification of this Plan or the Confirmation Order. Neither the Debtor nor its attorneys have made any representation, warranty, promise or inducement relating to the Plan or its confirmation except as expressly set forth in this Plan, the Disclosure Statement, or the Confirmation Order or other order of the Bankruptcy Court.

13.03 Waiver. The Debtor shall not be deemed to have waived any right, power or privilege pursuant to the Plan unless the waiver is in writing and signed by the Debtor. There shall be no waiver by implication, course of conduct or dealing, or through any delay or inaction by the Debtor, of any right pursuant to the Plan, including the provisions of this anti-waiver section. The waiver of any right under the Plan shall not act as a waiver of any other or subsequent right, power or privilege.

13.04 Construction. This Plan shall control over any inconsistent term of the Plan Trust Agreement. This Plan and the Plan Trust Agreement shall control over any inconsistent term of the Disclosure Statement. rights, powers, duties, authority and privileges of the predecessor member of the Trust Advisory Board hereunder shall be vested in and undertaken by the successor member of the Trust Advisory Board without any further act; and the successor member of the Trust Advisory Board shall not be liable personally for any act or omission of the predecessor member of the Trust Advisory Board.

### Description of Trustee's Proposed Compensation

Jason Rae will serve as the Trustee on and after the Effective Date. In compensation for his services as Trustee, Mr. Rae will not receive a retainer. Rather, he will be compensated using his standard rate of \$425/hour, plus reimbursement for necessary out-of-pocket expenses incurred, which accrue and will be payable monthly during the term of his service as Trustee. Mr. Rae will also retain Lain Faulkner (of which he is a Director and member) to provide accounting and financial services to the Trust under their standard employment agreement using their standard hourly rates.

Mr. Rae's compensation arrangement may be modified in consultation with the Trust Advisory Board should circumstances regarding the Trust activity level change substantially.
